

Step 1: Start an application using options below.

Step 2: A Brown & Brown Simplefill care coordinator will contact you within 24 business hours of your application submission.

Step 3: Once eligibility is determined, an enrollment packet will be mailed out to you within 2 business days.

Step 4: Sign & return your enrollment packet promptly using the self addressed enveloped included in your packet.

Step 5: If approved, you will receive your first shipment of medication(s) within 40-60 days from the time we received your signed enrollment materials back in-house.

Step 6: After the first shipment is received, you will be assigned your own personal advocate who will schedule all refills and process them as they are due.

The Brown & Brown Simplefill Program helps eligible members receive their brand name medications at zero cost!

The Brown & Brown Simplefill program helps members who have been prescribed an expensive brand name medication and do not have adequate financial resources, obtain their medication for little to zero cost. We have developed a proprietary system that allows us to stay informed and utilize all available programs that are focused on saving a substantial amount on the cost of prescribed medications.
